Radiology Associates Hires Heather L. Haddad, MD

Dr. Haddad Brings Fellowship in Abdominal Imaging

Baton Rouge, La. (July 14, 2020) Radiology Associates announces the hiring of Heather L. Haddad, MD. She is a fellowship-trained radiologist, who completed her Abdominal Imaging Fellowship at Duke University Medical Center in Durham, N.C.

“We are excited to announce that Dr. Heather Haddad has joined our growing team of subspecialty radiologists at Radiology Associates,” says Scott B. Schuber, MD, Radiology Associates’ Managing Partner. “Dr. Haddad has extensive training and experience in complex body imaging and will have an immediate impact on the patients we serve.”

Dr. Haddad graduated with a Bachelor of Science in biology from The University of Richmond in Richmond, Va. She earned her Doctor of Medicine at Tulane University School of Medicine in New Orleans, La. She completed her Diagnostic Radiology Residency at University of Florida at Shands in Jacksonville, Fla. Dr. Haddad is a member of Radiological Society of North America.

“I find abdomen and pelvis imaging fascinating as it encompasses many organ systems with a variety of disease processes. I enjoy using multiple different imaging modalities to formulate accurate diagnoses, which in turn help to direct a patient’s treatment. I feel privileged to be a part of a healthcare team providing high quality care to patients in the Baton Rouge community,” says Dr. Haddad.

About Radiology Associates

Radiology Associates, L.L.C. brings 70 years of quality radiology care to South Louisiana. The 24-member group services the Baton Rouge Metropolitan Area and surrounding communities at Our Lady of the Lake Regional Medical Center, Woman’s Hospital, Mary Bird Perkins Cancer Center, Lake Imaging Center, Our Lady of the Lake Ascension, Moran Imaging Center, LSU Health Clinics, and OLOL Children’s Hospital with full-service diagnostic and state of the art interventional radiology. The practice services men’s, women’s, infants’ and children’s-based radiology.
